I. Build website Minishop

Building a website, SEO content and attached affiliate links in the article to make money from Affiliate is not a simple task and it isn't available to every Publisher. You need a bit of technical knowledge, a little bit of SEO, choosing the right products, the right keywords, being able to write interesting articles (or maybe hiring content writers) and taking time to put keywords into the top...

Through connecting by API, ADPIA supports Affiliate to create web page to provide top sale products and latest discount codes for users.
